

North American Gladiolus Council

“We Dig Glads”

NAGC Email Auction Report

February 17-19, 2020

Thanks for the fun!

We appreciate our donors and say a big thank you to them:

...certificates - Honker Flats, Alleman Gladiolus, Blooming Prairie Gardens, Summerville Gladiolus, and Peeters Enterprises.

...products - Plant Food Systems, Inc., Pace 49, Inc., BioWorks, Inc., and Lallemand Plant Care

...cormels and bulbs - Cliff Hartline, Jim Green, John Alleman, Honker Flats, Don Selinger, Dick Holtz, Diane Welcenbach, Pleasant Valley Glads & Dahlias, Jim and Karen Otto and John Meyer

Thank you, bidders, for joining us in the 8th email auction. We were so happy to have 45 of you ask to join the fun, and especially those 4 of you who were first timers!

How much was raised to support NAGC activities and the Glad World? A whopping \$3,752.50 for 256 lots of gladiolus corms and cormels, certificates, and gladiolus related products. There will be some adjustments and shipping costs, but we are as happy as a kid in a candy store!

Photos were shared in a Snapfish album thanks to Katrina Meyer who was also the main photographer. Kudos to Allen Haas for finding a way to alphabetize the photos.

Winning bidders have been notified and sent summary sheets. Shipping of bulbs will occur when weather allows (hey, that is different in Minnesota than “down south”!).
